

Title	eLGU Admin Training and System Setup		
Date and Time	December 11-15, 2026 8:00am - 5:00pm		
Mode/Platform/Location	face to face	Control No.	eLGU-R2-12-04-2025-S159
Participants	Attached Attendance		

I. RATIONALE

The eLGU Admin Training and System Setup activity was conducted to equip administrators with the necessary knowledge and skills to effectively manage and set up the eLGU system. The training aimed to enhance the participants' understanding of the system's features and functionalities, as well as its configuration and setup. The activity is in line with the department's goal of promoting the efficient and effective use of technology in local government units. By providing training and support to eLGU administrators, the department aims to improve the overall performance and productivity of LGUs, ultimately leading to better public service delivery. The activity also supports the department's mandate to provide technical assistance and capacity-building programs to LGUs, enabling them to take full advantage of the benefits of the eLGU system.

II. ATTENDEES

A. Facilitator (DICT)

Name	Office	Gender
Jaymar Recolizado	DICT R2	M
Jay Whithaker	IMB	M

Male: 2 | Female: 0

B. NGAs / LGUs / SUCs and other Beneficiaries (please see attached attendance sheet)

NGAs		LGUs		SUCs		Others	
Male	Female	Male	Female	Male	Female	Male	Female
2	5						

Male: 2 | Female: 5

C. Consolidated participants

Total number of male attendees	4
Total number of female attendees	5
Total number of attendees	9

III. HIGHLIGHTS OF DISCUSSION

The eLGU Admin Training and System Setup activity covered key topics such as system administration, setup, and configuration. The participants gained hands-on experience in setting up and managing the eLGU system, and were able to troubleshoot common issues and resolve system-related problems. The training also included discussions on best practices in system management and administration, as well as tips on how to optimize system performance. The activity resulted in improved knowledge and skills of the participants, enabling them to effectively manage and administer the eLGU system. The training also contributed to the overall improvement of the LGUs' performance and productivity, as well as the enhancement of public service delivery. The department will continue to provide training and support to eLGU administrators to ensure the effective implementation and use of the eLGU system.
